

The Tribute Project

HONOR. REMEMBER. INVEST.

Create a tribute tile to be mounted at the National Center for Care at the End of Life. **Honor** your organization, the founder, retiring CEO, board member, volunteer or another member of the caregiving team. **Remember** the legacy of a family member, colleague or friend. **Invest** in the hospice and palliative care community.

- **In recognition of your gift of \$5,000**, you receive a 5" x 10" tile, which allows space for one logo or black and white image, and a maximum message of 140 characters.
- **In recognition of your gift of \$10,000**, you receive a 5" x 12" tile, which allows space for full customization, including a full color image and a maximum message of 450 characters.

As a keepsake, you will receive a commemorative paperweight acknowledging your contribution and the individual or group you have honored.
